

GREATER LONDON AUTHORITY

Our Ref: MGLA030117-8351

30th January 2017

Dear 

I write to provide you with our response to request for information that the GLA received on the 30th December 2016 in which you asked for the release of the following information:

I would like to request the FOI responses for the last calendar year. To clarify:

Please send a zip file (or some other way of grouping files) of all final responses and any attachments of all FOI requests you have responded to from January 1st 2016 to today.

If you consider this to take more than the acceptable time limit please provide your FOI log indexing requests and their outcomes.

I am aware you may have over 500 requests to compile but please bear in mind the final responses I am asking for should already be considered in the public domain and as such should not need redacting. I hope this makes this request a little less troublesome.

Your request has been handled under the Freedom of Information Act and I can today provide you with the enclosed spreadsheet which details all of the requests received by the GLA under either FoIA or the Environmental Information Regulations (EIR) in the 2016 calendar year.

If you would like copies of any particular responses, please, in the first instance, refer to our FoIA Disclosure Log (<https://www.london.gov.uk/foi-disclosure-log>) where we publish many of our disclosures under this legislation. You will also be able to find a number of our responses on [our page on whatdotheyknow.com](http://our.page.on.whatdotheyknow.com)

If you would like to request a copy of any other responses, please write back and let us know which cases you are interested in, and we will be happy to consider your request.

If you have any further questions relating to this matter, please contact me, quoting the reference at the top of this letter.

Yours sincerely

Ian Lister
Information Governance Manager

If you are unhappy with the way the GLA has handled your request, you may complain using the GLA's FOI complaints and internal review procedure, available at:
