

REQUEST

I was wondering if I could get the historic data behind Hounslow's DA offences, DA incidents, Total Sexual Offences, Other Sexual Offences and Rape Offences at a ward level. As the dashboard only shows the wards current monthly tally but not any previous data.

RESPONSE

Thank you for your Freedom of Information request of 4 May to the Mayor's Office for Policing And Crime (MOPAC). I confirm that your request has been handled under the Freedom of Information Act 2000. Please see response below.

All ward data contained within the Domestic and Sexual Violence Dashboard is for the most recent 12 months up until that point. The data behind the dashboard is not broken down by date and is a total of the current 12 month period. MOPAC does not hold historic data. Historic ward level sexual offence data is published by the GLA here
