Dear Gareth

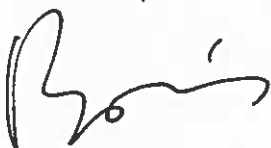

LFEPA budget options for 2016-17

Further to the correspondence you have recently exchanged with my Chief of Staff, please find enclosed a direction in relation to London Fire and Emergency Planning Authority (LFEPA) budget options for 2016-17.

The background to the decision, and the rationale for it, are set out in the decision form (MD1516) which accompanies the direction and which I am also enclosing. In keeping with standard practice, the decision form has been published on the Greater London Authority's (GLA) website.

I am copying this letter to the other LFEPA political leads – Fiona Twycross AM, Darren Johnson AM and Stephen Knight AM – and also to the London Fire Commissioner.

Yours ever,

Boris Johnson
Mayor of London
