

REQUEST –

Please could MOPAC respond to two freedom of Information Requests which are:

- 1 When is this year's MOPAC roadshow event on Policing? I note there is no mention of it for Haringey on the MOPAC website. The last one was in March 2014.
- 2 Please may I have the latest copy of the MOPAC statistics showing the level of confidence the public in Haringey have in their Borough Police versus the Metropolitan Police London average.

I would like to take this opportunity to congratulate MOPAC on devising a means of measuring public confidence across boroughs. However, the Commissioner decided not to include this useful information in his Roadshow in November 2014. It would be a disappointment if this metric was no longer made public

RESPONSE –

Thank you for your Freedom of Information request dated 14 February to the Mayor's Office for Policing And Crime (MOPAC). I confirm that I am replying to this request under the Freedom of Information Act 2000.

1 When is this year's MOPAC roadshow event on Policing?

I can confirm that MOPAC does not hold any information relating to this request. MOPAC did not make a commitment to hold roadshows during 2015. However, the Mayor and London Assembly is holding a People's Question Time on 19 March at 7pm in the Dominion Centre, Wood Green. You can read more about this here:

<https://www.london.gov.uk/get-involved/events/peoples-question-time-haringey>

2 Please may I have the latest copy of the MOPAC statistics showing the level of confidence the public in Haringey have in their Borough Police versus the Metropolitan Police London average.

I confirm that MOPAC does hold information relating to this request – whilst this is exempt from disclosure under Section 21 of the Freedom of Information Act, since it is information which is already published, please find a link below:

<https://www.london.gov.uk/priorities/policing-crime/data-information>

If you are unhappy with the response to your Freedom of Information request, please see the MOPAC website on what the next steps are at:
