Dear [REDACTED]

Please find below the information we hold within the scope of your request

1. *Has your council undertaken, commissioned, or had access to, any assessments on the potential impact(s) of Brexit in your area?*

Yes.

"Preparing for Brexit" a report on the potential economic impacts was commissioned by the GLA.

The GLA also undertook some work on EEA workers and "London and Europe – Facts and figures" February 2017 (Current Issues note 51) provide background information on a number of London's relationships with the EU.

"Mind the Gap: Funding and Financing City Investments in the 21st Century" was commissioned by the GLA and considers the impact on future major infrastructure investment decisions.

Some of the London Assembly's Committees have also investigated impacts.

We have had access to various published reports including the Government's.

2. *If yes, please provide a copy of the document(s), or, if published, the means whereby I can obtain a copy.*
