

REQUEST

2000 I would like all information concerning the Mayor's interest and intention towards the ply for hire rule?

What is his interest and intention towards implementing any recommendations put forward in the Law Commission 2014 report on Taxi and PHV reform and if so, what type of timetable is planned?

Why has he completely abandoned his campaign pledge to ban Uber should any driver paperwork not be in order, yet he ignored the GP scandal?

Why has he not met with cab trade reps himself and would he be prepared to meet with me personally to discuss the above matters and more?
