Dear Ms Fennell

Thank you for your request for information which the GLA received on 22 May 2017. Your request has been dealt with under the Freedom of Information Act 2000.

You asked for:

Please provide details of RE:FIT projects undertaken between 2012 and May 2017 as follows:

- *date of mini-competition launch*
- *date of selection of preferred supplier*
- *date of contract signature*
- *format of competition (target or partner bid)*
- *capital investment*
- *annual carbon savings*
- *annual electricity savings (kWh)*
- *annual gas savings (kWh)*

The data is provided in the attached spreadsheet. We however do not hold data on electricity savings and gas savings separately.

Please note that we do not hold the dates of the selection of preferred suppliers and only know the date of contract signature for some projects (where we have them we have provided them to you in the spreadsheet).

Our RE:FIT programme manager would also be interested to find out more about your research, in particular on ESCOs and schools, given RE:FIT's work to support schools. If you were keen to meet her, please could you email Sylvia.baron@london.gov.uk

Finally, if you have any further questions relating to this matter, please contact me, ensuring that you quote the reference at the top of this letter.

If you have any further questions relating to this matter, please contact me, quoting the reference at the top of this letter.

Yours sincerely

Paul Robinson
Information Governance Officer
