## RESPONSE

Thank you for your Freedom of Information request dated 23 May to the Mayor's Office for Policing And Crime (MOPAC).

You asked for:

- the information regarding the grants made by MOPAC to the voluntary sector in the London Borough of Redbridge in the 2015/2016 financial year.
- If none were made, could you please inform me of the grants made by MOPAC to the voluntary sector throughout the Greater London area for the financial year 2015/2016.

I can confirm that your request has been being handled under the Freedom of Information Act 2000 and that MOPAC does hold some information relating to your request, which is set out below.

The majority of the budget that is apportioned to Redbridge is given directly to the local authority who then makes local commissioning decisions independent of MOPAC. However, MOPAC do directly commission several small projects in the borough and also provide Pan London services which deliver in Redbridge.

MOPAC does not hold the information for all agencies commissioned by the local authority but acting Head of Community Safety, Hayley Roberts will be able to provide more details. She can be reached at [Hayley.Roberts@redbridge.gov.uk](mailto:Hayley.Roberts@redbridge.gov.uk)

Please see below for organisations directly commissioned by MOPAC delivering services or potentially delivering services in Redbridge in 2015/16:
