Dear [REDACTED]

Thank you for your request for information which the GLA received on 18 July 2019. Your request has been dealt with under the Freedom of Information Act 2000.

You asked for:

- *Number of new low-cost homes built in London in 2018*
- *Average development cost of the new low-cost homes built in London in 2018*
- *Target for the quantity of new low-cost homes to be built in 2019*
- *Postcode split of new low-cost homes in 2018*
- *Postcode split of new low-cost homes in 2019*

Our response to your request is as follows:

Number of new low-cost homes built in London in 2018

The GLA Housing statistics are available on the GLA website, please see the link below <https://www.london.gov.uk/what-we-do/housing-and-land/increasing-housing-supply/affordable-housing-statistics>

Average development cost of the new low-cost homes built in London in 2018

The average development cost based on all affordable housing completions in the Mayor's Housing programmes for 2018-19 was £304,303 per home in London.

Target for the quantity of new low-cost homes to be built in 2019

The Mayor's target is to start to build around 17,000 affordable homes in 2019-20.

Postcode split of new low-cost homes in 2018

Post code information on projects is not mandatory in GLA systems, however a list of affordable housing completions by borough for 2018-19 is shown in table 2 of the GLA published affordable housing statistics, see link further above.

Postcode split of new low-cost homes in 2019

The information is due to be published on the GLA's website on 15th August 2019.

If you have any further questions relating to this matter, please contact me, quoting the reference at the top of this email.

Yours sincerely

Information Governance Officer
