Dear [REDACTED],

Thank you for your request for information which the GLA received on 31st October 2018. Your request has been dealt with under the Freedom of Information Act 2000.

You asked for:

A breakdown of the agreed funding under "Building Council Homes for Londoners" by the number local housing authority (i.e. City of London and the individual boroughs). Please include the cost allocation for each tenure in each local housing authority.

Please identify the tenures separately for each local housing authority:

- 1. Council social rent*
- 2. London Affordable Rent*
- 3. London Living Rent*
- 4. London Shared Ownership*
- 5. Home Ownership*
- 6. Any other tenures (please specify separately)*

Please see the table below setting out the requested information.

You requested the cost allocation and this is shown in the grant allocation column. We do not hold a breakdown of allocation by tenure however the funding details for tenure types are set on the programme prospectus which is available at the following link:

https://www.london.gov.uk/sites/default/files/building_council_homes_for_londoners_16_may.pdf

The final two columns in the table relate to homes that are not yet profiled to named sites and therefore at this stage the tenure details are aggregated. Specific tenure information will be available when named sites are input to our systems.

If you have any further questions relating to this matter, please contact me, quoting the reference at the top of this email.
