

MAYORAL DELEGATION

BACKGROUND

1. Pursuant to his duty in s 41 of the Greater London Authority Act 1999 to keep his strategies under review and make such revisions as he considers necessary, the Mayor has decided to revise his Transport Strategy ('MTS').
2. The Mayor wishes to use the expertise of TfL and its resources to prepare the draft revised MTS. It is appropriate that he does so given that TfL will be the strategic body responsible for delivering the MTS and has the expertise to inform the policies and proposals which will make up the Strategy.
3. In the course of revising the MTS, the Mayor is required to consult certain groups and in practice, extends the consultation to the public at large. TfL will undertake all aspects of the consultation on behalf of the Mayor once the Mayor has approved the draft MTS. TfL will consider each response and following the end of the consultation period, will summarise the responses, evaluate them and prepare a report for the Mayor.
4. As part of the MTS process, an Integrated Impact Assessment ('IIA') will be done in respect of the draft MTS. The IIA will collate and analyse, in one overall integrated report, findings from the following assessments in relation to the revised draft MTS: Strategic Environmental Assessment; Habitats Regulation Assessment; Equalities Impact Assessment, Health Impact Assessment, Assessment of Economic Impacts and Community Safety Impact Assessment. TfL will ensure that an IIA is done in respect of the draft MTS and is consulted upon.
5. Certain post-publication tasks will also need to be undertaken once the final version of the MTS has been published by the Mayor including printing hard copies, giving adequate publicity, making copies available and producing a post-adoption statement for the IIA.
6. TfL will also be responsible for preparing guidance for London Borough Councils and the Common Council of the City of London as to how the MTS should be implemented pursuant to s 144 of the GLA Act.
7. In order for TfL to undertake these tasks on behalf of the Mayor, the Mayor has decided to authorise TfL to exercise relevant functions on his behalf pursuant to the procedure in s 38.

DELEGATION

Under s 38 of the GLA Act, I hereby authorise TfL to exercise the Mayor's functions under sections 34, 41, 42, 43, 142, 144 and any related provision of the GLA Act for the purpose of complying with the associated Mayoral direction.

CONDITIONS

The delegation is made subject to the following conditions:

- (a) TfL will provide the Mayor and the Deputy Mayor for Transport with reports on progress and developments relating to the preparation of the draft MTS and IIA.
- (b) TfL will comply with any instructions or guidance issued by me, a Deputy Mayor or any officer I nominate.

(c) TfL shall at all times afford the GLA's Monitoring Officer all reasonable co-operation and access to such documents and facilities as may be required from time to time in respect of that person's functions under s 5(2) of the Local Government and Housing Act 1989.
