

## REQUEST

Please send me GLA policy on the use of electronic versus surface mail.

Please provide the job description for your [J Mullett] current role.

Please provide me with copies of MPS Pay and Pension policy towards such “human” vehicles;

Please provide me with evidence of MPS compliance with the European Working Time Directive (including any voluntary derogation from EWTD signed by the vehicles) in respect of these “human” vehicles.

Please provide me with MPS (and DPS, if different) policy on use of electronic versus surface mail.

Please provide information as to whether MPS was involved in (paid for) this training and if so, how much it cost.

If MPS did conduct this training, I'd also like to know the name of the company involved, and whether or not the contract was procured openly (ie a competitive tender was run for it, ensuring best value for money.)

How many such fabricated CRIS [CR:2531040/15] have been detected in FY16, FY17, FY18.

What steps do MPS take to detect and prevent such [CRIS] fabrication.

## RESPONSE
