

## REQUEST

I am writing to request information under the freedom of information act (2000). I would like to know:

1. How much has been spent on body worn cameras by MOPAC over the previous 5 years (broken down in yearly intervals)?
2. How many body worn cameras have been bought over this time (broken down in yearly intervals)?
3. Which manufacturers have these cameras come from?
4. Do these cameras deploy facial recognition technology?
5. Does MOPAC have plans to increase the number of body worn cameras used in future?
