Date: 2 December 2022

Dear

EIR Response – Ultra Low Emission Zone Consultation

Thank you for your request for information which the Greater London Authority (GLA) received on 4 November. Your request has been considered under the Freedom of Information Act 2000.

You requested:

Please can you confirm back to me that you will be making the results of the ULEZ consultation FULLY transparent and available and that your criteria and grounds for having undertaken it are also clear and transparent.

Our response to your request is as follows:

Following a public consultation that ran from 20 May to 29 July 2022, the Mayor has announced that he has decided to expand the ULEZ London-wide in August 2023. You can read his decision, including the rationale and the evidence base on the GLA website: [MD3060 London-wide Ultra Low Emission Zone \(ULEZ\) Scheme | London City Hall](#)

The full consultation report, which includes an analysis of the responses received and themes raised, the independent Integrated Impact Assessment, which assessed potential health, environment, equality, and economic impacts of the scheme consultation proposals on different groups, and other supporting documents are available on Transport for London's consultation website: <https://haveyoursay.tfl.gov.uk/cleanair>

If you have any further questions relating to this matter, please contact me, quoting the reference MGLA041122-2722.

Yours sincerely

Information Governance Officer

If you are unhappy with the way the GLA has handled your request, you may complain using the GLA's FOI complaints and internal review procedure, available at:
