

<b>Name of tree planting programme</b>	<b>Year(s)</b>	<b>Number of trees</b>	<b>Cost<sup>1</sup></b>
Mayor's Tree Planting Grants	2016-17	41,731	£762,190
Community Tree Planting Grants	2017-18	15,120	£354,015
Community Tree Packs (with TCV)	2017-18	10,000	£20,000
Community Tree Planting Grants	2018-19	34,598	£411,402
Community Tree Packs and tree giveaway (with TCV)	2018-19	29,750	£79,500
Tree giveaway (with Woodland Trust)	2018-19	24,000	£153,421 <sup>2</sup>
Green Capital grants	2018-19	14,851	<i>Trees were planted in some projects. It is not possible to separate out the cost of tree planting from total project costs.</i>
Community Green Space Grants	2018-19	3370	<i>Trees were planted in some community green space projects. It is not possible to separate out the cost of tree planting from the total programme cost.</i>

<sup>1</sup> Note that these programmes cover different types of tree planting, where costs can vary significantly. Planting "standard" (i.e. developed) trees in streets is for example much more expensive than planting whips in woodland settings.

<sup>2</sup> Woodland Trust tree giveaway includes cost of postage.
