Dear Susan,

Thank you for your letter dated 7th June 2022. During the course of the discussions at the Police and Crime Committee held on 26th May 2022, I agreed to provide the Committee with the additional information below.

A copy of the MPS's risk register, submitted to the Risk and Assurance Board and Audit Committee.

The MPS's corporate risk register is taken to the MOPAC/MPS Audit Panel and is published online at <https://www.london.gov.uk/what-we-do/mayors-office-policing-and-crime-mopac/governance-and-decision-making/finance-and-audit/mopacmps-audit-panel#acc-i-64889>.

A timescale for the community monitoring pilots taking place in five London boroughs.

Work has begun on implementing the recommendations of the local scrutiny review, with the pilot steering group meeting monthly and an MOU for the new framework agreed by the group. It is anticipated that a new way of working will be in operation in pilot boroughs by the autumn, and this work will be incorporated into the wider Community Engagement review led by Black Thrive Global CIC. Recommendations for a more representative and accountable pan-London framework of community engagement and scrutiny are expected in November.

I hope the information provided is useful to the Police and Crime Committee in its upcoming work.

Yours sincerely,

Sophie Linden
Deputy Mayor for Policing And Crime
