Dear Val

### **Cycling safety in London**

Thank you for your letter dated 27 November following up matters arising from our attendance at the Transport Committee on 10 November 2015.

We had an informal discussion about cycling issues with our Board on 15 December. The Board suggested that, in addition to monitoring cycle accident statistics every quarter, it should look more widely at cycle safety.

This morning our Chairs' Group have confirmed with officers that a detailed paper on cycle safety should be considered at the next public Board meeting. This will take place between 9.30 – 11.30 am on Tuesday 26 January 2016 at City Hall. We will send you a copy of the paper.

With best wishes,

Yours sincerely
