I appreciate receiving a copy of the London Assembly Regeneration Committee's report 'Business Improvement Districts – The role of BID's in London's regeneration'.

Since their inception over 10 years ago London BID's have played a vital role in the success of London's High Streets and Industrial areas. Their links with local businesses and communities make them a good partnership model. Moreover, some of London BID's have had been pivotal in the regeneration of their areas.

Please contact my Advisor, Ben Johnson, who will be able to discuss my vision for working with BID's during my Mayoralty.

Yours sincerely,

Sadiq Khan

Mayor of London
