Dear Gareth,

Thank you for your letter of 22 November.

Please find enclosed affordable homes granted planning permission as a proportion of all homes granted planning permission from 2004/05 to 2014/15.

You also asked for further information about the Homes for Londoners Board and what role this played in the GLA's governance process. Detailed information on that is set out in Mayoral Decision 2012 MD2012 - <https://www.london.gov.uk/decisions/md2012-homes-londoners>

Yours sincerely
