

g15 Response

At the 24 January 2017 meeting of the Housing Committee, it was requested that additional information be provided on the number of affordable homes delivered by g15, the 15 biggest housing associations in London. The below figures relate to the financial year 2016/17.

	In London	In England (Overall)
Starts	10,717	15,759
Handovers	7,226	9,550

60% of starts are considered affordable, of which 25% were affordable rent.

70% of handovers are considered affordable, of which 40% were affordable rent.
