

London Assembly (Plenary)**2 November 2017****PRIORITY ORDER PAPER****Report No: 4****Subject: Questions and Answer Session – London Legacy Development Corporation (LLDC)****Report of: Executive Director of Secretariat****LLDC Finances****Question No: 2017/4144****To: Chair & Chief Executive of LLDC**[Shaun Bailey](#)

When will the LLDC be on a more financially stable footing?

Future of the LLDC**Question No: 2017/4145****To: Chair of LLDC**[Navin Shah](#)

What will you do differently from previous Chairs?

LLDC and the current housing climate**Question No: 2017/4151****To: Chair & Chief Executive of LLDC**[Peter Whittle](#)

With the housing market currently stagnating due to record house prices, banks clamping down on mortgage lending through tougher affordability criteria and interest rate rises looming, are the current plans by the LLDC just too ambitious?

Proposed H14 (road) and H16 (pedestrian) bridges at Fish Island**Question No: 2017/4146****To: Chair & Chief Executive of LLDC**[Caroline Russell](#)

The Mayor told me he has 'asked TfL to work with LLDC to review the traffic modelling options operating the bridges in light of [his] draft transport strategy'. Should the review highlight unacceptable traffic impacts on local people, will the bridge plans be cancelled?

It is requested that questions not asked during the meeting be given a written response by Tuesday, 7 November 2017.

QUESTIONS FOR WRITTEN ANSWER:

Affordable homes increasing rents

Question No: 2017/4147

To: Chair & Chief Executive of LLDC

[Sian Berry](#)

In response to my question 2017/3007 the Mayor revealed that the GLA provided £110m grant in total to Triathlon Homes for affordable homes in the East Village (the former athletes' village). Residents and local campaigners have said that Triathlon Homes have now increased the rents beyond what they can afford, forcing them to move away. What will you do to ensure that affordable homes in the Olympic park stay affordable?

Overcrowding in the Growth Boroughs

Question No: 2017/4148

To: Chair & Chief Executive of LLDC

[Sian Berry](#)

According to the Convergence Strategy and Action Plan 2015 - 2018, the Convergence indicator measuring overcrowding for the Growth Boroughs worsened between 2009 - 2015. What are you doing to address this?

Gypsy and Traveller Community in Olympic Park

Question No: 2017/4149

To: Chair & Chief Executive of LLDC

[Sian Berry](#)

How has the London Legacy Development Corporation (LLDC) sought to ensure that the needs of the Gypsy and Traveller community are being identified and met?

Affordable family homes

Question No: 2017/4150

To: Chair & Chief Executive of LLDC

[Sian Berry](#)

Do you have a target for providing affordable family sized homes? What percentage of affordable family sized homes have been achieved so far?
