*" How many a) burglaries and b) robberies have been screened out for investigation by the Met in each of the last 6 months; and what are the comparator figures for the same 6-month period last year and the year before? "*

Live data was taken from CRIS on the 11/10/2018

The records counted were recorded between the 01/04/2016 - 30/09/2016 & 01/04/2017 -30/09/2017 & 01/04/2018 - 30/09/2018  
This may not be when the offence too place.

The query was limited to those crime reports for Notifiable Offences of Burglary and Robbery.

This report is a count of all Crime Reports with confirmed and notifiable offences showing a curent Screening Decision.

Each crime under goes a primary investigation as per the 'Crime Screening and Secondary Investigation Standard Operating Procedures'

After this CRIS record is either screened 'In' for further investigation or screened 'Out', where there is little likelihood of the crime being solved.

A crime can only have one Screening Decision at a time, but this can change several times during the course of an investigation.

All crimes have some form of investigation to a greater or lesser extent.
