Dear Andrew,

Reappointment – Chair of ReLondon (formerly London Waste and Recycling Board)

I write to give notice to the London Assembly of my intention to reappoint Dr Liz Goodwin OBE as Chair of ReLondon (formerly the London Waste and Recycling Board), when her current term ends on 1 September 2021.

Liz Goodwin is the Senior Fellow and Director of Food Loss and Waste for WRI (World Resources Institute) and is also a Champion of the United Nations Sustainable Development Goal 12.3, the aim of which is to halve food waste around the globe by 2030. Previously she was the CEO of the waste reduction charity, WRAP (Waste & Resources Action Programme) from 2007 to 2016. In 2015, she was recognised in the Queen's Birthday Honours list and received an OBE for her services to business resource efficiency and the environment.

Under her leadership ReLondon has led efforts in reducing food waste, including securing London the status of a Flagship City for food, and is helping to make London a leading circular economy city, making the link between a circular economy and the climate emergency. During the first lockdown she led ReLondon's valuable contribution to keeping London's waste services running and is contributing to recovery efforts by supporting London's SMEs through my Green New Deal funding.

I propose to reappoint Liz Goodwin until 1 November 2024, to ensure continued strong leadership and providing certainty in the role up to and beyond the end of the current Mayoral term with sufficient time for a recruitment exercise if required early in the next administration.

I hereby give the required 21 days' notice from receipt of this letter for the Assembly to consider my proposed reappointment and convene a meeting of the Confirmation Hearings Committee to make a recommendation about it if appropriate. Liz Goodwin's correspondence address is [REDACTED], or by email at Liz.goodwin@relondon.gov.uk or [REDACTED]
