

Draft Industrial Supplementary Planning Document

Key information

Publication type: Consultation

Start date: Monday 12 June

End date: Monday 24 July 2023

1. Draft Industrial Supplementary Planning Document

The Draft Industrial SPD provides guidance on how OPDC will implement industrial related policies in the Local Plan, with a core focus on how industrial developments, within and outside of the Strategic Industrial Location, can be intensified and integrated within the urban fabric and demonstrate best practice from a design, placemaking and sustainability perspective.
