### 1. x

On 27 June 2023, the Housing Committee held a meeting on the Mayor's Affordable Homes Programme 2016-23. Here are some key statistics from the programme:

## How much?

The Mayor received **£4.82bn**  
from government for the programme  
to start 116,000 affordable homes in  
London

## How many?

**116,782** homes were **started** from  
April 2015 to March 2023

**58,936** homes were completed from  
April 2016 to March 2023

## Where in London?

The maps below show the number of affordable homes started and completed in each London borough:

## What types?

There are a number of different types of ‘affordable’ homes. Here are the types that have been started and completed under the 2016-23 programme:

More information about the GLA's affordable homes definitions can be found in the [funding guidance](#).
