Letters to the Mayor on the draft 2024-25 budget

The **London Assembly Budget and Performance Committee** has written to the Mayor of London on the draft 2024-25 budget for:

- Housing
- The Mayor's Office for Policing and Crime (MOPAC) and the Metropolitan Police Service (MPS)
- London Fire Brigade
- Transport for London

The letters are part of the Committee's changed approach to its Budget work, aiming to provide timely scrutiny and recommendations throughout the annual budget scrutiny process.

Each letter includes recommendations intended to support and improve the drafts of the Budget for 2024-25, as well as seek clarity over the future of specific programmes.
