Overview

The Old Oak and Park Royal Development Corporation (OPDC) is a Mayoral Development Corporation, established by the Mayor of London in 2015.

Its main purpose is to facilitate and coordinate the regeneration of the Old Oak and Park Royal Opportunity Area, an area in West London largely covered by industrial land. This area is of strategic importance as it will be home to the new Old Oak Common station, connecting the Elizabeth Line and planned High Speed 2 railway line (HS2).

This paper sets out key information about the OPDC, including its governance, funding and strategic priorities.
