

# Response to the Plan of Action to end rough sleeping consultation

tents with westminster in background

## Key information

Publication type: General

f

The London Assembly Housing Committee has responded to the Mayor of London's Plan of Action to end rough sleeping consultation.

Recommendations include:

- **The Mayor work with London Councils to develop a pan-London approach to discretionary housing payment.**
- **The Mayor use his convening powers and responsibilities on health inequalities to ensure that people living in Temporary Accommodation are part of inclusion health plans, which are produced by health authorities to reduce healthcare inequalities and improve healthcare for inclusion health groups.**
