The Budget and Performance Committee writes to the Mayor with recommendations to improve the future budget setting process

The **Budget and Performance Committee** has written to the Mayor following the Committee's annual scrutiny of the Mayor's budget. The letter includes **9 recommendations for the Mayor to improve the budget setting process for future years**.

Key recommendations include:

- TfL should present its projected operating surplus in its budget submissions from 2026-27 onwards.
- TfL should share with this Committee details of ridership on the Superloop routes compared with the average for the rest of the bus network.
- the GLA should set out what (if any) plans it has to use the Adults Skills Fund in 2025-26 to support the training of additional fire safety professionals on the new Building Safety Regulations.
