## 1. Conditions of entry

Admission for all visitors to the State of London Debate (SOLD) is conditional upon agreeing to the search procedures and complying with all security arrangements, behaviour and conduct conditions, and instructions as detailed in this Admissions Policy. These are in accordance with the event's health and safety arrangements. The Greater London Authority (GLA) reserves the right to refuse admission.

Failure to comply with this Admissions Policy will result in removal from SOLD and possible exclusion from future SOLD and People's Question Time events.

## 2. Search Procedures

All visitors wishing to enter the State of London Debate 2025, will be subject to a photo ID check and security search of any bags or carried items, including folding bicycles. Search arches will be present at the venue entrance and security staff will also be searching all baggage. Any prohibited items will be confiscated by security search teams and handed in. The search aims to ensure that no prohibited items (please refer to the list below) are either deliberately or accidentally brought into the venue.

Please note that visitors may also be required to place their outer garments, hats, shoes and belts through an x-ray scanner, and laptop computers will need to be removed from their cases. Wheelchairs will also be subject to

search. The scanning equipment will not harm electronic media devices and it is photographic film safe up to ISO1600 (33 din).

It will assist the search process if people are ready to remove metal objects carried on their person (except for very small items of jewellery) and place them in the trays provided.

At the discretion of the Security Officer, visitors found in possession of prohibited items may be refused entry to the building or will only be admitted if they are prepared to surrender the items to the venue security, for which a receipt will be issued. Any retained items can be collected from the venue security, on production of the receipt on departure from the building, except for certain prohibited items which are considered likely to pose safety risks to staff and the public which will be passed to the police.

At the discretion of the Security Officer, visitors deliberately trying to conceal prohibited items or being obstructive may be refused entry and reported to the police.
