4. Equipment and instruments

To make the carol singing programme a more traditional experience, no PA system or stage will be provided by the Greater London Authority (GLA).

Choirs are permitted to bring a small musical ensemble to accompany their singing.

Groups may bring a keyboard, battery-powered amplifier or small acoustic ensemble to act as an accompaniment to the singers.

To achieve the best effect in the space it is recommended that choirs consist of a minimum of 30 singers.

Instruments, such as a keyboard, will need to be battery powered as there is no access to the mains power on the square. This must be limited to ensure that sound levels are kept to acceptable levels as a courtesy to the neighbours of Trafalgar Square.

The noise level will be monitored at all times, and you must follow any instructions or directions given by the Heritage Wardens or GLA Authorised Officers.

5. Charity collection

You may collect donations on behalf of a registered charity for the duration of your hour's slot. Please note that the GLA has no means to guard or protect charity collection buckets and groups must make appropriate arrangements for collection and storage.

Any charity collection must be stated on your application form and agreed in advance.

Please note that collections may only take place on the main body or central staircase of Trafalgar Square, and that charities must be registered.

The number of charity collectors must be proportionate to the size of the performing group, for example 30 performers, no more than three collectors would be permitted, with the rule of one collector for every 10

participating carol singers.

Charity collectors must not act in an over-assertive manner or cause harassment to members of the public on the square.

Placards, leaflets etc, must be removed from site at the end of your carol singing slot.

Failure to follow direction from Heritage Wardens may result in your session being cancelled early.

7. Parking

Parking and dropping off is not permitted on Trafalgar Square.

Performers are expected to make their own travel and parking arrangements, and any equipment or instruments must be carried into position on the square.

8. Publicity

The GLA will publicise the programme on London.gov.uk featuring the name of the choir, time slot and charities supported. This will include the proviso of 'subject to change'. The GLA may also promote the universal event through other outlets.

9. Cancellation

Notifying the GLA as soon as possible may enable unsuccessful applicants to be offered an opportunity to sing on the square. Failure to notify the GLA may result in the rejection of applications made by the group in future years.

The GLA reserves the right to cancel or terminate your session early for any reason. Reasons could include threats to the security, safety and welfare of the carol singers or members of the public.
