

# London Assembly Environment Committee Letter on price protection for heat network customers

## Key information

Publication type: General

Publication status: Adopted

Publication date: Tuesday 24 March 2026

## d

The **London Assembly Environment Committee** is calling on the Government to urgently introduce price protections for heat network customers, with the conflict in the Middle East and the closure of the Strait of Hormuz to shipping, bringing into sharper focus the vulnerability of heat network customers to rising costs.

The **Committee** has been investigating the expansion of heat networks in London and the Government's proposals for new heat network 'zones'.
