## **One Met Model (OMM) Transformation**

The Oversight Board:

1. discussed the strategy for achieving the 20% reduction in costs as committed in the Police and Crime Plan, and the assumptions, opportunities and risks associated with the plan being developed for transforming the MPS to meet future challenges;
2. noted the focus being given to increasing productivity, reducing back office costs and developing commercial opportunities and the benefits of a pan-London emergency response;
3. discussed the possible impact of the forthcoming Government spending review and the review of the funding formula, and the work the MPS and MOPAC now need to undertake in preparation;
4. noted the work that the MPS will be doing in the coming months to further develop the plans for 2020 and to finalise the budget for 2016/17;
5. discussed the business case supporting the proposal that there be a contract with Shared Services Connected Limited (SSCL) to provide back office support services to MPS from their shared service platform.

The next meeting will be on 30 September 2015.
