Note: Delivery against the GLA council housing target includes all affordable homes started/completed by councils, or their wholly owned housing companies, that are in receipt of GLA capital funding. This includes acquisitions through the Mayor's Right to Buyback programme (which forms part of the Affordable Housing Programme 2016-23) and homes funded with grant from returned Right to Buy monies (typically administered through the now closed Right to Buy ringfence programme). It does not include homes delivered by councils through their own retained Right to Buy receipts as these are administered outside GLA programmes.

Completions: GLA Council Housing Delivery (GLA programmes only).
