## Guidance for providers

The Level 3 FCFJ Regional Flexibility is outlined in the [GLA AEB Grant Funding and Performance Management Rules 2023-24](#). The policy allows providers to use up to 50% of their Free Courses for Jobs (FCFJ) allocation to deliver regionally important technical, vocational or occupational Level 3 qualifications, beyond the national FCFJ offer.

Only Level 3 learning aims pre-approved by the GLA will be fundable within this flexibility.

Your application should demonstrate:

Details of the proposed learning aim(s) you wish to add to the list of eligible provision, including information on the qualification type and how the learning aim(s) will support learners to gain vocational, technical or occupational Level 3 qualifications of regional importance to London, beyond the national FCFJ offer and the existing GLA Level 3 FCFJ Regional Flexibility aims.
