Significant variances

CMT | -£2.1m | REV | 23-24 budget for pension adjustments higher than required - no impact on delivery

People Function | £0.8m | REV | £0.5m Cost of agency staff supporting the Job Families workstream; £0.3m Job Families scope brought forward into this FY

Technology | £1.0m | REV | £0.8m ITSS implementation costs; £0.2m agency staff covering vacant posts for interim period before service transfer to TfL

Statutory Planning | -£0.7m | REV | Underspend on staffing due to additional posts being held vacant in line with performance against pre-app income which is down due to wider economic circumstances and impact of statutory changes around second staircases

Crystal Palace | -£1.5m | CAP | Budget previously allocated to project higher than required in 23-24 - no impact on delivery overall
