Learning aims on this list are available to GLA ASF funded providers to deliver level 4 learning to eligible learners that supports clear progression routes from existing provision into skills training that leads to high labour-market returns and/or supports skills gaps in priority sectors for London.

You can find more information about the GLA ASF level 4 flexibility in the GLA ASF 2024-25 grant funding and performance rules, which can be accessed from the [GLA website](#).

GLA-funded providers may ask for other level 4 learning aims be added to the approved list by submitting a short business case to the GLA qualifications inbox [qualifications@london.gov.uk](mailto:qualifications@london.gov.uk).

Applications must be made using the application form for GLA level 4 flexibility, which can be accessed from the [GLA website](#).

Only non-prescribed vocational and technical level 4 qualifications not funded by the Office for Students are in scope for inclusion in the GLA level 4 flexibility.
