Where a Bidder considers that any of the information included in its bid is commercially sensitive, the Bidder should identify this and explain in broad terms what harm might result from disclosure of the information in response to a relevant information request received by the Council, as well as the time period applicable to such commercial sensitivity. Alternatively, where a Bidder considers that any other exemption applies to information submitted, this should be identified and explained.

Bidders should however be aware that, although the Council will take into account the reasons given for treating information as commercially sensitive or otherwise exempt,

the Council may nevertheless be required to disclose it under FOIA where such disclosure is considered to be in the public interest. The Council shall be responsible for determining, in its sole discretion, whether any exemption under FOIA applies.

Once, and if, the Council enters into any agreement with a Bidder pursuant to this bidding process, the Council may release details of that agreement into the public domain, subject to any confidentiality provisions contained therein. Bidders should be aware of this possibility.

2. Purpose of the Invitation to Tender

2.1 Purpose

This ITT provides the details of the bidding process being conducted by the Council to select a Bidder(s) for the Sites.

2.2 Contact information

The Council will be using the London Tenders Portal/Pro Contract for RP's to upload their submission. RP's must complete the necessary sections and upload before the deadline as shown in the time line table. RP's will be invited to the associated project by the authority.

Any late submissions may be rejected. Queries may be asked via the Portal and responses provided will be again by the Portal. There will be a specific period for queries to be raised and responded to (please see timeline).

3. Background and information relating to the Sites

3.1 Background and overview

The Council is seeking tenders from the Registered Providers on its Select List 2018 (the “**Bidders**”) to purchase the freehold or leasehold interest in relation to several garage Sites within the Bedfont, Hanworth and Feltham wards.

The Sites are being tendered as a single batch, as further detailed below. Bidders may not bid for individual Sites within the Batch.

3.2 Batch 7

Batch 7 consists of 5 Sites located across Syson, Chiswick Riverside and Turnham Green Wards

Each Site is sold with a Long Lease of 250 years.

Title Reports in relation to each Site are contained in Part 1 of Appendix 1. These are provided to Bidders on a non-reliance basis. The Title Reports are provided as an initial guide only and are not to be relied upon. It is for the successful Bidder to carry out such conveyancing searches as it requires and satisfy itself as to the legal status of the Sites (including the rights and covenants benefitting and burdening them) and their suitability for the Bidder’s proposed development.

Below is the list of sites held within Batch 7

Site Location
Garage adjacent 48, Beech Avenue, Brentford, TW8 8NH

3.3 Special Conditions

The following stipulations/covenants will be attached to the disposal of each Batch of Sites:

- 3.3.1 The development of the Batch shall consist of 100% Affordable Housing as defined by the NPPF Annex 2. This includes Social Rented Units, London Affordable Rented Units and Intermediate Unit types;
- 3.3.2 The Council shall retain 100% of the Nominations to the rented units in perpetuity;
- 3.3.3 The Council expects the Affordable Housing Units to be delivered free of Re-Cycled Grant Funding (RCGF);
- 3.3.4 The successful bidder shall use its best endeavors to obtain a satisfactory planning consent for its proposed scheme within 12 months of exchange of the Agreement for Lease;

- 3.3.5 The successful bidder shall commence the construction of their proposed scheme within 1 year from exchange of the Agreement for Lease (or grant of a satisfactory planning permission if later) and proceed diligently with the construction with a view to its completion within three years from the start of development. Failure to meet these timescales will result in the Agreement for Lease terminating save to the extent that such delay is the result of the Council's own default. The Council will act reasonably in considering any requests for a time-extension for any force-majeure event;
- 3.3.6 Should the Agreement for Lease be terminated the Bidder shall not be entitled to any compensation for any loss.
- 3.3.7 In the event that a lease has already been granted for any specific site but the bidder does not then proceed diligently with the development for that site the Council (after having given due warning) shall have the right to require the bidder to assign that lease either to itself or to a third party nominated by the Council (acting reasonably) on such reasonable terms as the Council may impose.
- 3.3.8 Accessible units should meet M4(3) (b) and meet Habinteg Wheelchair Housing Design Guide 3rd Edition

3.5 Legal Agreements

The Council and the successful bidder shall each use their reasonable endeavors to enter into a Development Agreement for Lease (substantially in accordance with the draft Heads of Terms in Appendix 2) within three months from acceptance of the successful bid. Pending exchange of the Development Agreement for Lease all dealings between the parties are expressed to be 'subject to contract'. The Council will not agree to any substantive amendment to the indicative terms of the draft Appendix 2 documentation unless such proposed amendment was expressed to form part of the successful bid. If it appears to the Council (acting reasonably and not as a result of its own default) that the Development Agreement will not be exchanged within the said three months (or such longer period as the Council may reasonably allow) the Council shall be entitled to withdraw from this transaction and engage with another party.

3.6 Consents

The Council considers that it is entitled to rely upon the General Consent issued by MHCLG pursuant to Section 32 of the Housing Act 1985 to justify the disposals of the Sites. This is on the basis that:

- (a) all the Sites to be disposed of are held within the Council's Housing Revenue Account;
- (b) none of the Sites include dwellings that are presently habitable;
- (c) none of the entities that the Sites are likely to be disposed of, are to entities that the Council owns an interest in; and
- (d) the Council will not be providing financial assistance (as defined in Section 24 of the Local Government Act 1988) to the purchasers of the Sites.

- 4.1.5 If the Council considers that, in the interests of open and fair competition, it is unable to respond to the question or request for clarification or further information on a confidential basis, it will inform the Bidder who has submitted it. The Bidder must as soon as practicable thereafter request that either the query be withdrawn or treated as not confidential.

The evaluation team will score the Bidder's response to each element of the Supporting Statement on a scale of 0 to 5 by reference to the following scoring guide:

Score	Description
5	Exceptional. The response fully meets, and in some or all respects exceeds, expectations.
4	Good. The response fully meets expectations.
3	Satisfactory. The response is acceptable but with some minor reservations.
2	Poor. The response is deficient in a number of areas where the details of the response require the reviewer to make assumptions.
1	Very Poor. The response is deficient in a large number of areas, giving rise to significant reservations
0	Rejected. The response is unacceptable or non-existent, or there is a failure to properly address any issue.

Each element will be scored by the members of the evaluation team on a consensus basis.

The score the Bidder achieves for each element will then be converted to give their percentage mark for that element. The maximum percentage weighting that the Council has given to each element of the Supporting Statement is set out in the tables in sections 6.3 and 6.4 of this ITT. For example, if a Bidder were to get a score of 3 out of 5 for an element which has a percentage weighting of 10% its percentage mark for that question would be 6% (ie $3/5 \times 10 = 6$).
