Dear London Plan Team

I am concerned that there is not enough protection for youth clubs in the plan, just acknowledgement of the vital role they play in communities.

Last year my community rallied to protect Danson Youth Centre but I am personally concerned that the Draft Plan will hasten its replacement by flats. It has been there for generations now and is precious to children and parents alike.

I would like to see Community Asset added to the list of considerations: privacy, heritage, biodiversity and green belt is not enough.

Yours sincerely

Alex Constable (Mrs)
