

I have tried to register online, but was unable to and am therefore sending my comments via my work email. Please note these are not the views of Essex County Council.

I am responding on behalf of the Drakefell Road Action Group our comments are as follows:

Healthy Streets – The Drakefell Road Action Group strongly supports Healthy Streets in relation to T2 B1, this should be amended to consider the views of local community groups who should be involved in co-designing healthy street, where there is a desire to do so. Residents should be involved in scheme prioritisation.

Also, borough should have to develop an assessment of their existing streets to determine that they meet the criteria prior.

The Bakerloo Line Extension is strongly supported as a way of achieving a modal shift to sustainable transport.
