Where do you live? Haringey

Have you contacted us about this issue before? No

I want to: Other

If other, please specify: Raise an important issue with the Mayor about the local community

What is your message regarding? Recent approval of listed building planning permission

Your message

I have grown up in Crouch End and Muswell Hill and am now raising my children in the area.

You have been going on about improving air quality, making more affordable homes ( for Londoners) and green spaces, and have even given Haringey a grant to improve the air quality in the centre of crouch end.

In what feels like complete contrast to this the local council has just approved the building of excessive new buildings in a small space, less than 100m from where you have given the grant to improve air quality. The pressure on the land, local transport ( we will need at least double the number of buses to cope with this, how will that tie in with your grant to improve air quality) schools and doctors will be unbearable. No thought has been put in to this, only how much money can be made. It is atrocious.

Come and discuss with the local community and councillors. Please.
