

Mr Christopher Fernandes comments

Page: [Policy H2 Small sites](#)

Section: [N/A](#)

None of these proposals seem to take into account the views of the local community. What safeguards will be put in place to take my views into account if I object to the building of a new development that would negatively impact the privacy and security of my house. Mayors come and go but we will have to live with the consequences of this ill thought out and unbalanced policy.
