Dear Sir - As a member of the Woodland Trust and one about to lose a tree in the garden of his house due, we are told, to root invasion, I am - nonetheless - wholly supportive of a much greener London.

About 8 years ago, I went on a helicopter trip over the city + was appalled by the lack of green spaces. Churchyards + tiny parks gone to Naamun. (I am 82 + therefore remember them well.)

I therefore support all the recommendations made by the Woodland Trust + hope that you will do all you can to see that the green city of my youth is reinstated. And soon. Yours sincerely -
