A man with a beard and a flat cap is leaning on a black metal balcony railing. He is wearing a white long-sleeved shirt and a necklace. The background shows a brick building with white windows, a white van with a yellow license plate, and a city skyline under a cloudy sky.

It's been a long time coming...

...but I know a change is gonna come

**Response to the draft London Plan
Policy H16 Gypsy and Traveller accommodation**

Dear Sadiq Khan

I am a member of the Gypsy and Traveller community and a Londoner. I want to thank you for recognising us in your new definition and asking boroughs to make sure they count the needs of everyone in our community.

I am concerned that Policy H16 is not strong enough. You are asking boroughs to build 66,000 new homes a year over the next ten years. Pitches are homes, new pitches will go towards meeting your housing targets and boroughs should be held accountable if they don't deliver.

You can make the London Plan stronger by protecting existing caravan sites and ensuring the delivery of new sites.
