Subject: Havering build

To whom may concern. Havering has an overbuild at present. Not enough drs dentists. Hospital is overcrowded. When Havering was a first built it was said that this would be kept as green open land. That was a joke then. You are cutting funding to Havering we will become a concrete jungle with no adequate schools. Leave Havering alone we have lost all green spaces that I knew as a child and I am now a pensioner so have seen the loss first hand. We have had our quota of building.
