MAYOR OF LONDON
How the Strategy Works
What Does Inclusive and Active 2 Do?

- Change attitudes and raise awareness of sport for disabled people
- Ensure the disability sector has a key role in promoting and delivering inclusive opportunities
- Improve and increase inclusive activity
- Ensure more disabled people are regularly active
- Increase training and employment opportunities for disabled people
- Promote disability equality in sport amongst all sectors
- 3,720 disabled Londoners have become active
London Athletics - Run!

“I have not seen Oliver concentrate on anything as consistently for a while as he has with hockey.” – Oliver’s dad

“Oliver's confidence is clear. He is no longer as shy as when he first came and his skills are improving weekly. He is definitely more confident as a result of the sessions.” – Pauline, club volunteer
Partnership Working

Hackney Hurricanes

EFDS Star Club Award at the National Disability Sports Awards for demonstrating excellence in inclusion of disabled people in sport

MAYOR OF LONDON
Be Inclusive and Active

Learning outcomes
In this first section of the course we’ll help you to understand disability and what disability equality actually means. We’ll also look at and help you to appreciate the impact on disabled people of how your organisation provides its service.

You can navigate backwards and forwards throughout the course by using the play, forward and back buttons at the bottom of the screen.
## Impact of Inclusive and Active 2

### Benefits to Deaf and Disability Agencies
- Connections to mainstream delivery providers at a strategic and local level
- Sport and physical activity networks and forums
- Partnership funding opportunities
- Better partnership working with the rest of the disability sector
- Increased opportunities for service users, clients, members to be active

### Benefits to I&A2 Adopted Agencies
- Better understanding of disability issues
- Access to expertise and resources
- Demand-focused provision
- Focused and accessible promotion and marketing
- Partnership funding opportunities
- More disabled people active
