Page: [Draft New London Plan](#)

Section: [N/A](#)

Sudbury Town Residents' Association (STRA) is the only Forum with a Neighbourhood Plan in the London Borough of Brent.

There are no safeguards in place for existing Neighbourhood Plans. These are plans which went to Referendum and received a majority of 94% YES votes to the plan.

The London Plan and the Local Plan must incorporate the existing Neighbourhood Plans. This is respecting the wishes of the Community.
