

Dear Sadiq Khan (Mayor of London),

I am writing to respond to your consultation on the draft New London Plan.

I believe that everyone in London has the right to breathe clean air, have access to nature and to benefit from clean energy. I am therefore pleased to see policies in the new London Plan which seek to address these important environmental issues.

However, I believe the London Plan could be improved in the following way;

BAN all private cars and taxis and everybody use public transport

Yours sincerely
Mike Marriott
