

To whomever it may concern,

I write to express my alarm over your proposals to double the number of planned homes in 939 per annum for Sutton.

At the moment Wallington South has a lovely balance of suburb, space and greenery for it's reasonable cost of living with the nearby Croydon providing an ominous example of what can happen when that balance is lost.

As someone who to this point had no concerns whatsoever in my choice of vote for mayor, please reject these ill considered plans that would highly disrupt an area that already works.

Kind regards

Ben Morgan
