

Mr Derek Smith comments

Page: [Policy H1 Increasing housing supply](#)

Section: [N/A](#)

I object to this plan as although Havering is a large Borough much of the Southern Part was used for infill of London rubbish and is on the Thames flood plain which renders this area unsuitable for house building.

The green Belt areas are essential to prevent pollution and provide much needed wellbeing for an already overcrowded borough. The towns in Havering are suffering greatly from overcrowded roads and over stretched facilities and could not cope with the proposed increase in population.
